# Progress to Date

- Total Patient Visits: 661
  - Seen at FHPC: 627
  - Off-Site: 19
  - Oral Surgery Referral: 6
  - Endodontic Referral: 4
  - Periodontics Referral: 4
  - Orthodontic Referral: 1
- Unduplicated patients: 169  
(average = approximately 4 visits per patient)

# Procedures

- X-Rays: 289 (Intraoral and Bitewings)
- Panoramic X-Rays: 218
- Prophylaxis: 213
- Fillings: 286
- Extractions: 123
- Root Canals: 16
- Crowns: 7
- Dentures: 1

# Labs

- McHenry Frost Dental Lab (Laurie Frost)
  - Crowns
  - 4 crowns per month
  - One week turn-around
- Dental Craft Corporation (Rick Wakitsch)
  - Dentures/Partials
  - 6 dentures or partials per year

# Operator

**Operator #1**

# Operator

**Operator #2 and Pano**

# Current Challenges

- Limited number of volunteer providers
- Individualized equipment and supplies
- Limited number of lab services (crowns & dentures)
- Digital x-ray system vs. film
- Dental/EMR integration
- Space for sterilization and x-ray development

# Dental Hallway

**Sterilizer & X-Ray Processor**

# Moving Forward

- Increased productivity
- Serve as dental school site
- Additional specialists for referrals
- Additional cross trained personnel
- Procurement of more lab services

# Questions
